May 2000

Dear Friend of Life:

The next two months bring us special days for honoring the parents among us. Last year, with your help, the New Hampshire Right to Life Educational Trust observed Mother's Day with a special newspaper ad expressing our gratitude for all the women who have accepted the gift and challenge of motherhood.

This year, we'd like to express the same support for fathers, with an ad in the Manchester Union Leader/NH Sunday News for Father's Day in June. As much as we can with a single ad, we want to give our thanks and recognition to fathers all over New Hampshire – especially those who have “stepped up to the plate” in spite of challenging circumstances.

Will you join me in this project?

I would love to be able to place your name, and those of your pro-life neighbors, right alongside a message of thanks and encouragement to fathers. With your donation, you'll join other pro-life New Hampshire residents in a simple yet effective way to say that fatherhood matters to our children.

How large will the ad be? That's up to you. This is a self-funding project, which means that the greater the response, the larger the ad we'll be able to purchase.

Is there a special father you'd like to honor by name? Let us know on the enclosed reply card.

You can make your check payable to the New Hampshire Right to Life Educational Trust, and your donations to the trust are tax-deductible.

Thank you for your support, and I look forward to hearing from you!

For Life,

Ellen Kolb
