

New Hampshire Right To Life annual March4Life January 14

The results are in, it's time to STOP this terrible experiment. It's time for America to start healing from abortion.

This year's Key note speaker is **Susanna Brennan**, founder *Hope Rising Post-Abortion Ministry* a *Christian mission to reach out and break the silence of abortion and help restore post-abortive women to a life of emotional, physical, and spiritual health.*

Kelly Roy from **Operation Outcry** will help us understand the magnitude of the task before us and share how she found hope and healing from the Lord. Kelly hopes to stop others from the pain of submitting to abortion. Saving babies.

New Hampshire Right to life invites you to a day to promote respect for innocent human life as the anniversary of the Supreme Court decision Roe v. Wade approaches.

We're kick'n it up. **Increasing awareness and providing hope for people.** Come find out how YOU can be **INVOLVED...**

We'll hear from UNH Students for Life Leaders on the move

At 9:00 am Join us at the **Concord Landfill** to mourn the loss of respect for life by remembering those who were ruthlessly killed and dumped there, Old Turnpike Road.
At 10:00 am There will be a **Mass at St. Johns the Evangelist So. Main St.**
At 11:30 am We will rally at the **Capital building**.
The **March for life is at Noon**, we will walk past the Concord Feminist Health Center and pray for an end to the unseen American Holocaust. You may bring signs or use ours. We will continue to walk to St. John the Evangelist again and warm up to a luncheon provided by gracious people of faith who, like yourself, love life. After lunch we will hear from our guests and find out how **each of us can help** America stop the horror of abortion and begin the healing process. There will be invaluable and encouraging information for you. **ALL EVENTS ARE FREE.** Donations help!

"How can there be too many children, that's like saying there are too many flowers." --Mother Teresa
